

Existing law establishes a separate school system for the Central community in East Baton Rouge (EBR) Parish. New law provides for legislative recognition of legal documents executed relative to the transfer of specified 16th section lands (commonly known as "Indian Mound Tract") from the EBR Parish School Board to the Central Community School Board (CCSB); provides for state acknowledgment and confirmation that CCSB is entitled to income derived from Indian Mound Tract; provides for transfer of the state's right, title, and interest in existing leases related to Indian Mound Tract; and makes changes to the geographical boundaries between the two school systems. New law additionally authorizes the Vermilion Parish School Board to convey, transfer, assign, and deliver any interest, excluding mineral rights, the state or the school board may have to certain 16th section lands as described in new law.
